

## Portland Chapel

Our Portland Chapel is located one block west of Meridian Street (Highway 27) in Portland. It is full of many unique antiques as you can see in the photos below. We receive countless comments on how the antique furniture make the funeral home feel more like a home. We take pride in our Portland location because this is where our funeral home has been located for over 100 years. It has undergone many transformations to meet the needs of people in Jay County.

Here is our Portland Chapel from the Commerce Street entrance. As you enter our front entrance you are greeted by our warm fireplace.

Our entry way from our parking lot is warm and inviting with some of our antique furniture on display

Our Family Room is a quiet get-away dedicated to providing family members with a comfortable place to retreat. The family is invited to bring food into our facility during the visitation hours and we provide the soft-drinks and serving utensils free of charge.
